

Reclaiming Proceeds for Israel Bank of Agriculture Securities

Clients that purchased equity shares for the Israel Bank of Agriculture (IBA) may take the following steps to reclaim their proceeds.

Abandoned or Unclaimed Property

First, clients should determine if the funds owed to them have been escheated to the state of the last known holder's address by BNYM, IBA's paying agent, as per the normal abandoned property laws. To do this, clients may visit the related state's abandoned property site, which can be found on <http://www.unclaimed.org> . Any unclaimed proceeds from the IBA securities may be in possession of the state in which the holder was last registered.

If this is not the case, the client should refer to the instructions below to make claims.

Requirements for Redeeming Lost Securities

If a client wishes to redeem lost securities for the Israel Bank of Agriculture, they must contact BNYM, IBA's former paying agent, with a list of documents currently in their possession. The Shareholder Relations Department can be reached Monday – Friday between 9:00 AM and 7:00 PM EST, at 1-800-254-2826.

If the shares are lost, the client must provide a bond of an acceptable surety company, indemnifying BNYM against any liability that may arise. If the client elects to participate in BNYM's Blanket Bond Program with the Travelers Casualty and Surety Company of America, they must complete the Affidavits of Loss and Agreements of Indemnity form, provided by BNYM. The client must also complete, sign & date, and return the W-9 Form provided by BNYM.

In addition, the client must pay a premium to the Travelers Casualty and Surety Company of America and a processing fee to BNYM to complete this transaction.

Requirements for Redeeming Securities for a New Owner

In order for a holder to redeem the proceeds of an IBA security, they must submit several documents to BNYM. These include a copy of the pages of the Purchase and Sale Agreement illustrating ownership, a Corporate Resolution, bearing a raised seal, showing who is authorized to act on behalf of the company if the security is held by a non-individual, a Medallion Guaranteed Bond Power requesting the new registration, and a completed, signed & dated IRS Form W-9 for the new owner. All of these documents should be submitted to the address listed below. To contact BNYM with any additional questions, the client may call the Shareholder Relations Department between 9:00 AM and 7:00 PM EST, Monday – Friday, at 1-800-254-2826.
